

## **MAISHA DIAMOND ENHANCED ANNUAL AIRAMBULANCE COVER WITH POST EVACUATION IN-PATIENT BENEFIT**

### **TERMS AND CONDITIONS**

This document provides a summary of the terms and conditions attached to the Maisha Diamond evacuation cover. All clients must confirm agreement to these terms and conditions before joining the scheme.

Maisha Diamond cover is an Emergency Medical Evacuation and post-evacuation Hospitalisation expenses product. This is an annual contract between Aeroworx and AMREF Flying Doctors in the product schedule. Therefore, AMREF Flying Doctors (AFD) is liable for the annual fees due under the product.

Covered charges and benefits are provided for in this section in accordance with the selected Maisha Diamond cover type, the benefit tables and product conditions.

Except where otherwise limited or amended by the cover type, we will indemnify the member, subject to reasonable and customary charges, for the benefits detailed in this section (except where as otherwise limited by the plan type), for the provision of medically necessary treatment of new accidents or illnesses incurred by the member during the period of cover, after applying the appropriate excesses.

#### **1. PRE-EXISTING CONDITIONS**

- 1.1 Maisha Diamond does not cover the treatment of pre-existing conditions or any costs arising from the treatment or the medical evacuation of pre-existing conditions. A pre-existing condition means any disease, illness or injury for which you have received medication, advice or treatment, or for which you have experienced symptoms, whether diagnosed or not, at any time before the date on which your plan starts.
- 1.2 After 6 months continuous cover, pre-existing conditions will become eligible for benefit, subject to the terms and conditions of your plan, provided you have not consulted any medical professional for treatment, check-ups, or advice, or taken any medication, or had to follow any special diet, or suffered any symptoms for that medical condition or for any related condition, for a continuous period of 180 days

#### **2. MEDICAL BENEFITS (HOSPITAL & RELATED SERVICES)**

- 2.1 To pay medical, surgical, specialist's fees, hospital, nursing home, nursing attendance charges, costs of physiotherapy, massage and manipulative treatment, surgical and

medical requisites, up to but not exceeding in all the benefits level shown hereon (as per the benefit tables) in respect of such members as may have sustained accidental bodily injury or illness.

- 2.2 All these expenses to be necessarily incurred and arising from illness manifesting itself or accidental bodily injury occurring during the period of cover and incurred within 12 months of the date of accident or illness.

### **3. EMERGENCY MEDICAL EVACUATION AND REPATRIATION BENEFITS**

- 3.1 Aeroworx and their medical advisors including but not limited to MSO International and the AMREF Flying Doctors reserve the absolute right to decide if the person's medical condition is sufficiently "serious" to warrant emergency medical evacuation and/or repatriation.
- 3.2 Aeroworx and their medical advisors shall decide the place to which the member shall be evacuated and how the evacuation should be carried out, having regard to all the assessed facts and circumstances of which the Company is aware at the relevant time.
- 3.3 "Serious Medical Condition" means, for interpreting Emergency Medical Evacuation cover, a condition which, in the opinion Aeroworx or its authorised representatives, constitutes a serious or life threatening medical emergency requiring immediate evacuation to obtain urgent remedial treatment to avoid death or serious impairment to the members immediate or long-term health prospects.
- 3.4 Unless agreed otherwise by Aeroworx, it does not mean any circumstances in which the member can travel without a medical escort. The seriousness of the medical condition will be judged within the context of the member geographical location and the local availability of appropriate medical care or facilities.
- 3.5.1. Emergency medical evacuation: We will only pay for evacuation or repatriation arrangements if it is prior approved and authorised by our 24-hour emergency assistance center. We will pay in full the members' reasonable transportation costs for him or her to be internationally evacuated for inpatient treatment if the treatment he or she needs is covered under the Policy and is recommended by his or her doctor for medical reasons and is not available locally. This must be approved in advance by the 24-hour Emergency Assistance Centre. We will only pay for the evacuation of the person requiring the treatment to the nearest appropriate international medical facility in Kenya or South Africa where the treatment is available
- 3.5.2 Repatriation: We will pay the expense necessarily and unavoidably incurred in returning the member to the nearer of the home country or usual country of residence following Emergency Medical Evacuation provided that such additional costs are medically necessary and approved in advance by Aeroworx or its medical advisors. We will also pay reasonable transportation costs for one other person to travel or remain with the member during evacuation when this is considered necessary for medical reasons.
- 3.5.3 Repatriation of mortal remains: We will pay the expense of preparation and air transportation of the mortal remains of the member from the place of death to the nearer of the Home
